

## Course Registration Sytem

**DATE:** Thursday, Aug 29, 2019

**TIME:** 10:45 AM

**LOCATION:** DP D215

- Meeting to discuss
  - Project to be taken for Group assignment.
  - Discussion on each individual team member projects.
- Attendee Names
  - Sreekanth, Akhila, Varshini, Meghana.
- Attendees not present
  - -

## MOM Points

- Discussed various projects suggested by the team.
  - Sreekanth suggested Orderezi, Android application.
  - Akhila Suggested Course Registration System, web application.
  - Varshini suggested Invigilation management System.
  - Meghana suggested Bus tracking system.
- Reasons discussed on various project ideas are as follows:
  - Course Registration System: It's a web application, everyone familiar with web technologies and want to go deep, so we chose this.
  - Orderezi project: Android application, everyone not aware of Android.
  - Invigilation management System project: Don't have detailed idea about project.
  - Bus tracking System: Android application, everyone not aware of Android.
- Finally, we are going with Course Registration System.
